Why Do People Do Crime?

..... Theory

- People have
- The gain of crime is than the losses

.....Theory

- Motivation to commit crime is
- As long as there are suitable target, absence of, presence of motivated offender

..... Theory

- Being a criminal is part of biological and traits
- Low intelligence and crime are intimately

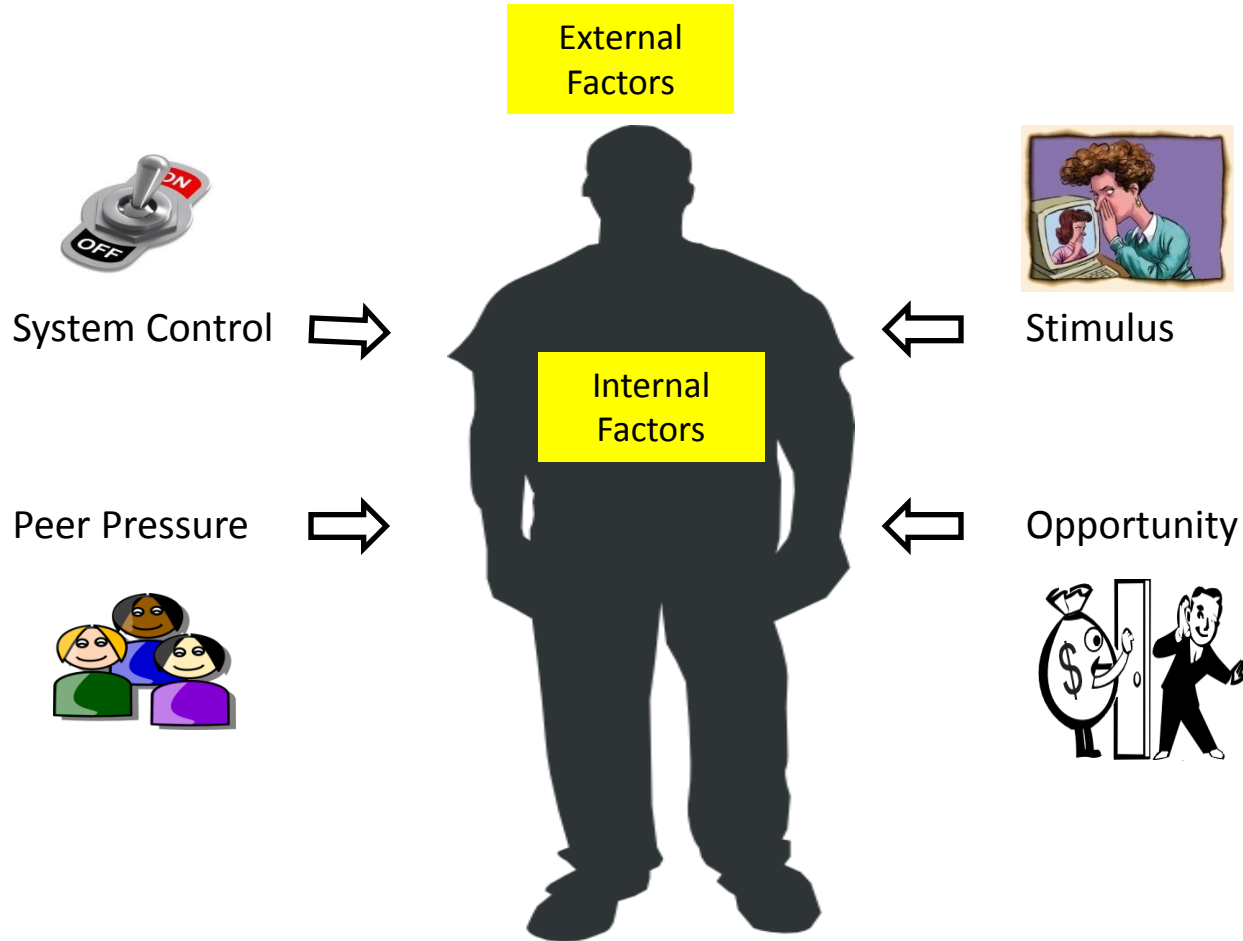

..... Theory

- Personality theory: are responsible for significant amount of crime
- Integrated theory: like family life, school, gang membership are significant addition to psychological factors

Other Theories

- Crime is.....and can be imitated
- High intellectuals from different societies can make crime too
- Attachment, commitment, involvement and believe are factors to crime choice

Understanding People
